

Momentum Board · Weekly Sheet

Update at a fixed time each week, ten minutes. Write for a reader, not a diary. Act on anything two weeks in Blocked.

MOVED THIS WEEK

What demonstrably advanced. Demonstrable is the bar, not effortful.

MOVING NOW

Active threads, capped by your WIP limit, each with its next step.

BLOCKED

What is stuck, on what, and who owns the unblocking. Named, always.

TWO-WEEK ALARM

Anything blocked two weeks: escalate, trade, or retire, this week.
