WHAT THIS IS

One sentence on the deliverable and who it is for.

WHAT STAGE IT'S AT

Draft, near-final, or shipping tomorrow. This calibrates depth.

WHAT KIND OF REVIEW

Completeness, edge cases, feasibility, or numbers. Pick one or two.

WHERE TO PUSH

The area you are least sure of. Aim their energy.

WHEN IT'S NEEDED

A real deadline with runway to act on findings.

THE RECIPROCITY

What you will carry back for them, purpose framing, momentum help, a review in your primary.
