

Decision Deadline Sheet

Set the date with a witness. Gather only what would change the answer. On the date, decide with what is in hand, in writing.

THE DECISION

One sentence. What exactly is being decided?

THE DATE

Proportional to the stakes, not to the interestingness of the analysis. Who else knows this date?

GOOD ENOUGH MEANS

What information would genuinely change the answer? Only that gets gathered.

THE DECISION, MADE

Written on the date, with reasons, using whatever is in hand.

EXTENSION (ONCE, OUT LOUD)

If genuinely needed: the new date and the specific information that justifies it.

LOG

Decision and reasoning, recorded. Reviewed quarterly: did the delayed ones improve with time?
