

Decomposition Worksheet

Work top to bottom, one level at a time. Everything below must trace back to the goal. Transfer the task level into your tracking tool the same day.

LEVEL 1 · THE GOAL

The outcome in one sentence.

LEVEL 2 · MILESTONES

Three to five checkpoints that would prove the work is on track.

LEVEL 3 · WORKSTREAMS

The threads of work that must run under each milestone.

LEVEL 4 · TASKS

Next physical actions per workstream, each with one owner. Include reviews, approvals, coordination, and cleanup.
