

# The Last 10% Closing Pass

Run in order, in one thirty-minute block, before anything ships. A skipped pass is a decision, log it.

## PASS 1 · QUALITY

- ☐ Read or run the whole deliverable end to end, as the recipient will

## PASS 2 · EDGE CASES

- ☐ Checked the boundaries: first use, odd input, unusual volume
- ☐ Checked the handoff points for gaps

## PASS 3 · HANDOFFS

- ☐ Receiver named and notified
- ☐ Receiver has everything needed to act without asking you

## PASS 4 · LOOSE ENDS

- ☐ Open comments resolved or assigned
- ☐ Placeholder text, stale links, unsent notifications cleared

## PASS 5 · SIGN-OFF

- ☐ Checked against the definition of done
- ☐ Named confirmer has said done
