

Trade Board Post & Contract

Post the drain and the offer honestly. Match by profile, contract the swap in writing, review monthly. Leaders post first.

THE DRAIN I'M POSTING

One recurring task, honestly named, with its real weekly cost.

WHAT I'D TAKE IN EXCHANGE

What you would happily absorb, from your primary.

THE MATCH

Who is wired for this? The team map predicts the pairing.

THE CONTRACT

Scope, standards, duration, roughly equivalent load both ways. Accountability stays with the original owner unless the role formally changes.

MONTHLY REVIEW

Balanced? Working? Continue, adjust, or unwind, out loud. Next review date:
