

# Good-Enough Threshold

Fill in before starting, agree it with the receiver, post it visibly. Criteria met plus date arrived equals released.

## What must be true to ship

Three to five checkable criteria. The floor, agreed up front.

## What "better" would add, and cost

Name the marginal value honestly, then the delay and the work not started that it costs.

## Version-two parking lot

Improvements beyond the threshold, informed by real feedback, go here, not into the ship date.
