

Quarterly Altitude Check

Ninety minutes, four questions, on the calendar four times a year. Answer in writing and keep the answers, drift shows up in the quarter-over-quarter comparison.

Date and who attended, each quarter. Inviting one WHY-primary guest is recommended.

QUESTION	Q1	Q2	Q3	Q4
Is the work still connected to the goal? Trace it explicitly.				
What changed in the context? Market, org, priorities, people.				
Which assumptions expired? The plan encoded beliefs, which are no longer true?				
What would we not start today? The hardest question, the one that pays for the ritual.				
At most three changes made this quarter
